## Blueprints Requiring Neurodes

Click to view the Blueprints requiring Neurodes

## Market

By purchasing this item you can directly exchange **10** for 1 **Neurodes**.

—In-Game Description

Neurodes can be purchased directly from the market for **10**, or as a reusable blueprint for **100**.

| Manufacturing Requirements |        |        |                       |  |                   |
|----------------------------|--------|--------|-----------------------|--|-------------------|
| 15,000                     | 50,000 | 50,000 | 25,000                |  | Time: 1<br>hrs    |

## Gathering Tips

*These are based on opinions and may not be true. These should be viewed as advice unless proven undoubtedly true. Check comments for confirmation. Results may vary.* Please note each of the tips below is a subjective average, and may not necessarily represent your experiences.

- Plato (Lua) guarantees a spawn of [Sentients](#) within the first couple of minutes. This is the most effective way of farming Neurodes, but bring a party, as Sentients do prove difficult.
- Playing the assassination node of [Lephantis](#) (Magnacidium on [Deimos](#)) is one of the easiest ways to acquire Neurodes (1-2 average every run).
- Newer players might find it helpful to search missions in [Earth](#) for [Neuroptic Masses](#), the resource container for Neurodes. The chance for enemies to drop Neurodes is very low, making it worth spending time to search for the containers instead.
- [Sentient](#) fighters spawning on [Lua](#) have a relatively high chance of dropping Neurodes (can be accessed upon completing [The Second Dream](#) quest).
- [Eris](#) survivals and defense (including Dark Sectors) do **NOT** yield many Neurodes, about 1 for every 20 minutes/waves.

## Trivia

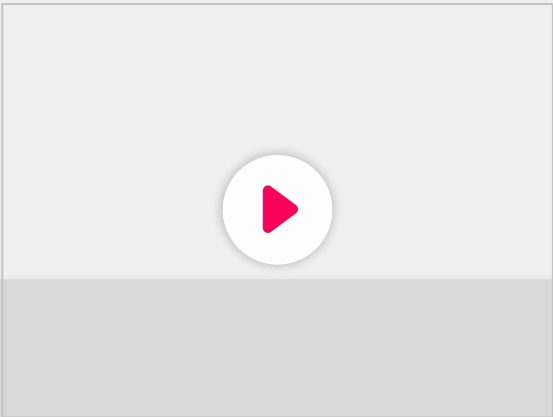

- The singular form of Neurodes is Neurodes, according to the game.
- The descriptions of [Neural Sensors](#) and Neurodes were swapped several times, at one point completely reversing what the components clearly were. This was finally reverted in [Hotfix 15.16.2](#) (2015-03-11) to properly fit their obvious designs.
- In computing, [Neurodes](#) (likely a portmanteau of *neuron* and *node*) serve as the building blocks of [artificial neural networks](#).
- Prior to the removal of [Trials](#), a reusable Neurodes blueprint could be acquired as a reward from [The Law of Retribution Nightmare](#) Raid.

Patch History

[Hotfix 5.0.5](#) (2012-12-27)

- Fixed Neurode components not available. These rare resources are now found in the Earth region.
