Primed Mods

 EDIT

Category page

Primed Mods are enhanced versions of their original non-primed counterparts, featuring additional ranks and with it greater bonuses. It is important to note that these mods **cannot** stack with their standard counterparts, though they can stack with mods that provide the same bonus (i.e.  [Primed Continuity](#) cannot stack with its  [standard counterpart](#), but it *can* stack with  [Constitution](#) and/or  [Narrow Minded](#) and receive penalties from  [Fleeting Expertise](#)).

Most primed mods are sold from [Baro Ki'Teer](#) aka **Void Trader**. Four Primed mods are only available as [Daily Tribute](#) rewards:  [Primed Fury](#),  [Primed Vigor](#),  [Primed Shred](#) and  [Primed Sure Footed](#). Those Mods are presented at Days 200, 400, 600 and 900. At those days you can choose one between three different of these four mods.

As they are Legendary Mods, keep in mind that trading them will cost the buyer  **1,000,000** in trade tax. Primed mods obtained as [Daily Tribute](#) rewards **cannot** be traded.

The total cost of all prime mods together is  7,695,000 and  17,155. In sections, this is split up into  435,000 and  1050 from Warframe mods,  1,575,000 and  5 from Melee mods,  1,445,000 05 from Pistol mods, and finally,  5 from Sentinel, and Companion mods
