KRONEN PRIME BUILDS

BUILDS BY EVILHAWK00

[74k sustained DPS] One of the best endgame build with riven [Kronen Prime Visitio]

[Primed Reach] was used for better experience, in order to make the possibility of killing Osprey with melee. Nothing can survive under this build(including Lv130 enemy), it's not necessary to maximum the damage.

[Primed Reach] can be replaced with [Gladiator Might] if you don't mind with shorter range but better damage.
