Patch History

Update 36.0 (2024-06-18)

- The following Mods are no longer eligible to be traded or sold from Inventory. Essentially, they have been given the same treatment as Mentor's Legacy to prevent players from removing Mods that can only be acquired once. If you have already sold the following Mods, you can submit a ticket to our fantastic Support Team at support.warframe.com.
 - Daily Tribute Milestone Login Rewards these were already untradeable, we've just also made them unsellable from Inventory:
 - Primed Sure Footed
