*Kahl tell [Blue Girl](#) about Pazuul:
Body is dead worm. Head like
animal.*

—[Kahl-175](#)

Pazuul is the current leader of [Narmer](#) who succeeded [Ballas](#) following his death in [The New War](#). Introduced in [Veilbreaker](#), Pazuul is an [Archon](#) formed by the union of [Erra](#)'s body with the head of a demonic ram.

Lore

Tau System

Pazuul the Ram was once a Sentient Beast, which were Sentients created by [Praghasa](#) and [Hunhow](#) to serve as the peacekeepers of [Tau](#). The Ram acted as the de facto leader of the beasts, with [Boreal](#), [Amar](#), and [Nira](#) only answering to him.

The other beasts participated in [The Old War](#), dying and becoming resurrected by [Erra](#) who converted them into [Archons](#); hybrid abominations of Sentient and Warframe.

Veilbreaker

[Kahl-175](#) mentions that Pazuul's "body is dead worm", suggesting that [Erra](#) had died during [The New War](#) and Narmer had grafted the ram head onto his corpse.

During [Archon Hunts](#), the [Lotus](#) remarks about Pazuul indeed being a reanimated Erra, with the ram acting as a parasite as it and the other vengeful [Archons](#) keep Erra's consciousness suppressed. She hopes her brother may be restored by defeating the other resurrected Archons.

The Lotus suggests that Pazuul is building something that requires a large amounts of resources to build. The function and purpose of Pazuul's creation currently remains unknown.

Trivia

- Pazuul's name may be derived from [Pazuzu](#), a figure from ancient Mesopotamian religion who is depicted as an anthropomorphic being with an animal head, resembling the form of the Archons including Pazuul of a human-shaped entity with a beastly head.
- Occasionally during Archon Hunts, Erra's voice breaks through and he appeals to the Tenno for forgiveness. This suggests that some of Erra's mind, still remorseful since the climax of [The New War](#), remains in Pazuul. This could also be Pazuul trying to manipulate the Tenno by using their knowledge of Erra's betrayal of
