ARTEMIS BOW PRIME BUILDS

BUILDS BY THEMOON85

Literally a Mind Blowing Bow

Hello there,

Look at those stats... they're low, right?
Right...

Now go and try it in a group of your enemies. Aim for the head.
I'm not going to explain to you what will happen... just see it for
yourself. And **trust me**... you will be satisfied.

Bane of Faction mod is flexible, change it according to the
faction you are up against, or simply put [Serration].

Enjoy, TheMoonN85
