Passive

Frolicking and fluttering about, **Titania** passively possesses **+25%** **Bullet Jump** and **Rolling** distance. Casting her abilities rejuvenates Titania and her allies within **15** meters, granting them the **Upsurge** buff which regenerates **4** **Health** points per second for **20** seconds.

- Upsurge is granted at the start of Titania's cast animations.
 - The duration of the heal is refreshed on successive ability casts.
- Upsurge buff icon is displayed with a duration timer next to the shield and health indicators, at the top-right of the HUD.
 - An icon also appears next to each allied player affected by Upsurge.
- Affected allies includes all Warframes, **Companions**, **Eidolon Lures**, summoned allied units such as **Specters**, allied **Invasion** units, **Hostages**, **Kavor Defectors**, **Sortie** and **Arbitrations** Defense Operatives, and **Defense Objects**.
