# The ABC-book | Primer | Augur Mods

Hello there,

As you all know, with the newest update we are now a wizards! Now where's the wand?!

Anyway, let's try something new. **New Mods.**

## Update

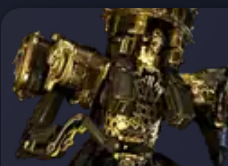

I added more Multishot, this will make alt fire load way faster when you shooting at your enemies priming them. I leave it to you to decide whether you prefer to shoot a bit slower but twice ([[Barrel Diffusion](#)]), or faster with a slightly lower chance of shooting twice ([[Lethal Torrent](#)]).

As for Exilus, I decided to completely give up the new Canticle mods, many idiots tried to tell me that it was impossible to activate these mods without killing the enemy with this book, and since it is not suitable for killing, it was supposedly impossible, so I decided to use something that has an actual and visible effect. [[Lethal Momentum](#)], because I'm writing about this mod now, accelerates and extends the duration of Alt Fire, which gives a greater chance of prime enemies, and this in turn increases the amount of energy regenerated by the [[Xata Invocation](#)] mod. [[Lethal Momentum](#)] is kind of double edge sword anyway, because without it you can get multiple procs on Invocations from the same mob being struck multiple times. Of course, the choice of Invocation mod is ultimately up to you, use the one you and your companions need most.

## OPTION

**YOU ABSOLUTELY CAN USE CANTICLE MODS WITH THIS BUILD AND ACTIVATE THEM WITHOUT NEED TO KILL ENEMIES WITH IT.**

Casters who can rely on their abilities to kill for them, should consider using Canticle mod as a sort of flex option. Also

I would like to thank @BULLYHUNTER\_420 for helping me with educating some morons, who have no idea how game works. Thanks to you, I was able to convince some stupid unbelievers that activating these mods is absolutely possible, thanks man!

So... what I made here is a **Primer Book**, not to do damage, but to increase your overall damage. New mods are here to help you and your teammates.

The knowledge is power, let us spread the word!

Enjoy!
