11 Million Orange Crits - Epismack Prime

u could always run Galva Crosshairs over [Lethal Torrent], but ur general aoe run & gun pump would be worse off. this is a good mixture of both aoe & single charged shot.

[Trick Mag] is optional but basically doubles ur ammo pool if u just wanna braindead spam abit more ;) either that or Recoil reduction for the charge shooting.

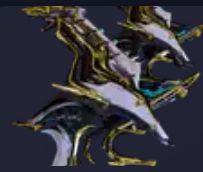

God 200k+ shield with timed 3.
