Sure Footed

110   ✏ EDIT

Sure Footed is an *Exilus mod* that increases a Warframe's chance to resist knockdowns and staggers. Knockdown and stagger animations will not be played when a player successfully resists a knockdown or stagger.

Notes

- May be stacked with   Fortitude for complete immunity to knockdown. Another option is the   Vaykor Sydon which provides additional 50% knockdown resistance when wielded.
- Includes resistance from Shield Lancer's shield attack, Scorpion's tether attack, Ancient's charge attack and tether attack, Corpus Laser Barriers, Bombard rocket explosions and Arson / Caustic Eximus' fire blasts.
  - Despite being knockdown resistance, it also provides resistance to Volatile Runner's explosions which stagger the player, rather than *knocking down* the player.

- A Primed version of this mod,   Primed Sure Footed, is a Daily Tribute reward available at 400, 600, and 900 logins. When maximized, will resist all knockdowns (100% resistance).
