Notes

- Has a **30** second cooldown.
 -  [Manifold Bond](#) can be used to reduce the cooldown, allowing it to be ready to activate sooner.
- Gives **25** affinity to the Companion for activating this ability.
- Activates instantaneously regardless of any effects, as long as the shields of the Companion's master are depleted.
 - The Companion will still recharge its master's shields while under the effects of an [Ancient Disruptor](#)'s energy drain which results in wasting the recharge.
 - Does **not** provide any shields in the [Nightmare Mode](#) with "No Shields" modifier, although the Companion still receives the **25** affinity for activating the ability.

Trivia

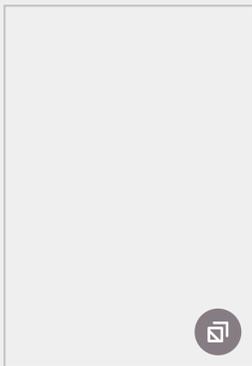

- Prior to [Update 12](#), this mod shared its image with [Sanctuary](#).
