Anyone know what's the most efficient way to farm Intrinsic?

[Question/Request](#)

At the moment, I've been doing long Survival runs at Fenton's Field at Pluto Proxima but I'm wonder if there are any better methods.

From my experience, veil proxima skirmish missions give a lot

I remember a really good way to level Intrinsic was to get a stealth frame and stealth kill every Grineer and such on board the objectives in Veil Proxima. Is that still viable? Been out of the game for about a year and a half.

works as a 2-birds-1-stone deal. 3 if you also want to sell Epitaph parts. Do note that you'll want to do this in at least a 2 person group with the pilot handling fighters and crew ships with everyone else doing objectives.

Back in my day, I used to use Ivara invisible, stealthkilling enemies for the entire mission and walk out with like 50 or so a mission. That was before the grind was reduced. Its way easier now.

Railjack only missions is what you should aim for.
