## Notes

- Stacks up to 8x.
- Cannot be equipped alongside  [Fass Canticle](#),  [Khra Canticle](#), and  [Lohk Canticle](#).
- Tome Mods with on-kill conditions do not require the Tome weapon to make the killing blow. Instead it has to damage an enemy at least once to mark it with the Tome effect and then be the held weapon when marked enemies are killed by another source, such as Warframe abilities or companions.
