Any lvl or place in particular that has a high change of it happening?

Grineer seem to launch them more often than Corpus, so those would be the better bet.

Honestly, it should be able to happen anywhere. I'd start by moving your gunner(s) to another position and doing a couple of Earth Proxima missions.

If it doesn't happen on Earth, hit up Saturn.

Thank you so much. I tried looking on the internet, and this post kept popping up. So, I decided to ask. Thanks again.
