Take charge with the Saint of Altra. Gauss is fast, deals high damage, and has strong survivability. Movement charges his powerful battery, so never stop moving.

SHORT GUIDE

Fire Walker / Quick Thinking

Greetings tenno,

Here is a brain dead build, sacrificing range to enhance duration at max, but using Fire Walker instead of Thermal Sunder, to negate all status effect easily and get more speed btw.

To understand my choices, refer to this guide :

See you !
