0

Take charge with the Saint of Altra. Gauss is fast, deals high damage, and has strong survivability. Movement charges his powerful battery, so never stop moving.

SHORT GUIDE

Mach Crash x Spectrosiphon

Greetings tennos,

Here is a funny [Mach Crash] x [Spectrosiphon] build that allows you to become a pocket booben with [Gauss] !

Basically you just want to crash with your 1 in every piece of the environment to create a black hole that pull all ennemies, then place your 3 (Spectrorage) on them before killing to get an insane amount of energy !

Heavy attack weapons like glaive are very cool to use with this build ;)

To understand my choices, refer to this guide :

<https://overframe.gg/build/255851/gauss/gauss-base-guide-to-consistent-building/>

See you ! :)
