Notes

- Creates a separate damage instance that will reroll the chance to apply status and also the critical tier.
 - It is possible to create a duplicated hit that is either non critical, tier 1 (yellow) or tier 2 (orange).
- The effect can proc on [Exodia Contagion](#), unless the first burst of damage kills the enemy (or one shot it).
- Forced status procs will apply to the duplicated hit if they originate from the melee weapon.
 - Duplicated hit will not apply a forced status from  [Seeking Talons](#).

Bugs

- If used with [Xata's Whisper](#) or [Toxic Lash](#), this arcane will duplicate the damage instance coming from these abilities rather than the melee hit. This results in 3 damage instances rather than the expected 4.
 - If [Xata's Whisper](#) and [Toxic Lash](#) are active at the same time, the damage instance from [Xata's Whisper](#) will be duplicated.
