Its a miniature part of the grineer forest tileset, often appears near a toxin injector as a big rotating wall opposite a tunnel/dead end.

It'd be nice if we could use these for literally anything else other than selling fodder.

they'll release a new weapon requiring 200x of them. :(

Took me about 12 runs on Rescue mission to get the 6 pieces. If the prosecutor does not spawn when you hack the jail entrance, restart. Or finish the mission to collect a bunch of spectres

Missions on Ceres.

A Fandom user • 3/13/2019

Just did Bode on Ceres (Spy Mission). Dropped by Prosecutors. Ran into one while running around.

During extraction, was notified more Prosecutors were now approaching. Went for extraction as quick as I could, but ran into another Prosecutor on my way to Extraction. So, they will appear here. Good luck!
