Can't downvote the facts. The new 2025 Ram 1500 is the strongest Ram 1500 Ever.

Too bad most of the time we'll just see it bust up for mission sake.

Wonder how it'd look upon replaying quests...

I imagine the quests would change much sadly. During the second dream for instance, lotus didn't have alt looks, so those older cutscenes might not have any difference. Still worth a shot though, however I'm not sure if the Second Dream is repeatable or not

Yea naw. Not paying for skins for an NPC. It looks great though, I just can't justify the extra cost.
