ITEMWARFRAMEXAKU

XAKU

NEW BUILD

Broken Warframes adrift in the Void converged to create Xaku. Together, they deal high damage. Xaku proves that the sum of the whole is greater than its parts.

XAKU BLUEPRINT

Xaku's main blueprint is awarded from the Heart of Deimos quest. Component blueprints can be acquired from Cambion Drift Bounties (Deimos).

| ITEM                                             | COUNT | SOURCE                                                                                                                                                                                                         |
