Xaku | Meme Health Tank

COPY

by [goldengengu](#) — last updated a month ago (Patch 36.0)

👑 2 🌐 106,440

Broken Warframes adrift in the Void converged to create Xaku. Together, they deal high damage. Xaku proves that the sum of the whole is greater than its parts.

XAKU BUILDS

Arcane Blessing

BUILDS BY GOLDENGENGU

Arcane Guardian

GUIDE

Xaku | Meme Health Tank

Recommended Archon Shards: 2x Max Energy (can also swap them for whatever if you go for [Primed Flow] over [Augur Reach]), 2x Casting Speed, 1x Energy Orb Efficiency

Recommended Focus School: Zenurik (energy [Regen] combos well with nourish)

Aura: Both [Enemy Radar](#) and [Energy Siphon](#) work well for your aura slot, without having to use a forma on it.

Helminth: Nourish is here to free up mod slots for efficiency and/or an arcane slot for energize. It also affects your Accuse allies.

DURATION: [Xaku] doesn't really care about the lower duration, because of the vast untime pausing his other ability durations. It even has a benefit of forcing you to cast vast untime more often to apply it's slow and void damage vulnerability.

EFFICIENCY: Nourish has us covered so we don't have to bother with it.

RANGE: You want all the range so you can have more guns with Grasp of [Lohk].

STRENGTH: You want enough for full strip with [Gaze], but [The Relentless Lost](#) makes this too easy, so I slapped a bit more to boost all the other abilities.
