Otak

EDIT

Be great! Do great things!

—Otak

Otak is the name of a vendor in the [Necralisk](#) in [Deimos](#). He is a damaged [Cephalon](#) affected by Deimos' energies and was integrated into a [Necraloid](#) named [Loid](#) as a result, with an attempted defragmentation of Otak's persona matrix resulting in his erratic and whimsical personality. His shop is located to the easternmost side of the [Necralisk](#), where the Tenno drop from their Landing Craft.

CITRINE'S LAST WISH FACTORY SCENE		

Trivia

- "Otak (<https://en.wiktionary.org/wiki/otak#Indonesian>)" means "Brain" in Malay and Indonesian, which is ironic for his personality.
- When Otak first meets the [Tenno](#) he calls them "a chip off the old monolith", foreshadowing the Warframes' relationship with the [Necramechs](#). From then on he nicknames the player "Chip".
- After accessing [Loid](#)'s Dante Research shop in the [Sanctum Anatomica](#), he reveals that Otak was an [Archimedean](#), and the first one to discover the unique properties of Argon.
