Can I solo the exploiter orb?

[Question/Request](#)

I'm only mr10 and have a soma, redeemer prime and akjagara. For frames my best is Mesa Prime.

I have not yet killed the profit taker orb, is this one just as hard?

Soloing is possible with a tanky frame with some lifegain and a good ranged weapon : but i highly advise against it because it takes waaay to long to do solo.

Yeah I soloed it twice last night. Takes 30-ish mins per run unfortunately. It's really hard to kill the mech spiders solo, so they keep cooling the Orb off. They're immune to CC. Definitely doable, but frustrating at times.

The hardest bit is chucking the coolant at the frosted vents whilst not having anyone around as a distraction. Iron skin lets you just ignore that

I did it with Mesa and a kitgun yesterday. The hardest part was figuring out what to do--the fight was not well-explained--but it's doable.

soluuloi • 6y ago •

Yes but you will ake a lot of times. And when we say yes, we mean from the standpoint of a veteran with primed up equipment. Find a team.

Solo is definitely doable and not hard, but takes greatly more time compared to squad.

Just know that there won't be any UI indicators for activation buttons in Deck12, nor the Thermia Canister drops. There is 4 Canister Dispensers WITHIN Deck12.

Do not use Gara Splinter Storm or Chroma Elemental Ward, because they destroy the canister when you try to pick them up.

I've been getting consistent 30mins doing solo, and with squad 14-15mins. The difference between solo vs squad is the rate you can throw canisters at the Orb.

Exploiter is definitely doable solo. Takes a while, but you can get it done.
