Ophanim eyes on wisp?

[Question/Request](#)

Anybody try this? Is it worth anything? Currently I use Pillage on my wisp. I know blah blah roar blah blah eclipse but I enjoy having an armor strip on her of some sort.

Wondering if ophanim with the slow and heat procs might be...better? Not sure.

ophanim eyes kinda works on anyone, so no reason it wouldn't work on wisp. if it suits your playstyle then go for it.

Eyes works on most frames if you're already building strength and duration. Or even just not-negative power strength and duration.

I've been running it on my Valk (duration build) with much success. Frankly doubling up on "this area is a deadly laser" sounds fun.

Kinda wanna make a joke build on Chroma with Eyes and breath weapon now
