Jade subsume potentials

[Discussion](#)

So, who do you think would benefit the most of Jade's [Ophanim Eyes](#) in their kit?

(My brain always goes to replace Rhino's 1, but I'm boring.. and too new)

The ability seems to be a good all-rounder and basically useful for most. (No idea how well it scales, tho)

But, people who are cracking numbers, and the ones with wild minds, where do you see it shine the most?

Edit, been pondering: How would it combine if you'd replace Hildryn's 1 or 4, and have the blazing pillage augment?

As these end up having a similar function, but different mechanics (shield/armor strip, add heat)

Would the pillage quicken the eyes? Or would they work against each other? (less to pillage or whatever)

It works especially well on Equinox when subsuming her 2nd ability that way you don't have to use terrify and accidentally scare enemies out of your maim AOE.

And I want to give a shout out to Ember as well since the heat procs after the armor strip also can give ember more ability strength.

Nidus could become unstoppable with Jade's Eyes, his 3rd ability would be crazy!

I'm just thinking atlas, he really needs some good armor strip when he's constantly using petrify

Could be fun on Excal

Could be funny with Qorvex. He already stands still shooting lazars so having some armor strick can't hurt. Then again, he doesn't really build strength so maybe not.

Dagath maybe.

If it stays active on Sev when he uses Shadow, could be a cool set up where you position Sev to stare at a choke and use Shadow to kill everything as they walk onto the armor strip. Extra slows.

I don't know who it would be good for, but in terms of themeing? Oberon. Maybe replace Reckoning with it and really feel like you're on a mission from ~~god~~ the Lotus.

Fir theme consistency (flying projector of doom) - Titania, can be useful in disruptions i think

in thinking process, she can armor strip but she needs temporal precision to do which requires constantly babysitting that timer of her 4th ability. This ability could fix the problem with her and for strength just blind rage precision intensify and her passive along with molt augment will make Ophanim eyes armor strip very quickly.
