

ITEM WEAPON PRIMARY SHOTGUN CEDO

CEDO

NEW BUILD

Launch a glaive that ricochets off surfaces in bursts of elemental damage, then perforate enemies with primary fire's precision buck-shot. Damage increases with each Status Effect afflicting a target. Lavos will transmute a small portion of any ammo pickup to Primary Ammo when wielding his signature Cedo.

CEDO BLUEPRINT

Blueprints for the Cedo and its components are available for purchase from Father in Necralisk.
