—In-game description

*Orokin sequencing medium.
Pricks used it to archive
everything. Memories,
evidence... Warframes. The
Orokin can rot in their own filth,
but those Prime 'frames? They
deserve to live again... and
Regal Aya can make that
happen. With Regal Aya, this
Foundry can reconstruct you a
Prime Warframe yanked straight
from my time. As real as my
pretty face in front of yours. No
guesswork.*
