Trivia

- Koumei is the 58th unique Warframe to be released.
- Her name was first revealed during TennoVIP at Gamescom 2024 alongside her update title. She was officially revealed in a prerecorded demo during [Devstream 181](#), held at the Tokyo Games Show 2024 live audience event.
- Koumei* (幸命) is a portmanteau of the Japanese words 幸運 (kouun) and 運命 (unmei), respectively translating to "good fortune" and "fate".
- Koumei's ability kit is the first to completely use Japanese words for their names, each with a unique meaning:
 - [Kumihimo](#) (組紐) refers to a traditional style of Japanese braids and cords. Kumihimo was prominently used by samurai, where almost 1,000 yards of these braided silk cords are needed to keep the metallic armor plates held together.
 - [Omikuji](#) (御神籤) literally means 'sacred lot', and refers to fortunes written on slips of paper. Omikuji are commonly offered in Shinto and Buddhist shrines in Japan, where they're drawn in hopes of a good fortune.
 - [Omamori](#) (御守り) literally means 'protect', and refers to amulets or charms in the form of brocade pouches with a prayer or sacred inscription and containing paper or wood. Omamori are said to protect the carrier on their journeys by providing various forms of luck and fortune.
 - [Bunraku](#) (文楽) is a style of traditional Japanese puppet theaters. These are often performed with colorful puppets and marionettes controlled by puppeteers on or hidden in the stage.
- Koumei's health and armor values at max rank are 444, possibly referencing [tetraphobia \(https://en.wikipedia.org/wiki/Tetraphobia\)](https://en.wikipedia.org/wiki/Tetraphobia) a superstitious belief in

- This also makes Koumei the second Warframe whose base attributes are not multiples of 5, after [Xaku](#).
- Unlike most of Warframes, Koumei requires only 24 hours to build, instead of 72 hours.
- When casting her abilities, Koumei speaks Japanese phrases as follows:
 - [Kumihimo](#): 糸を (ito wo / String) and 巻きつける (maki tsukeru / Wrap around).
 - [Omikuji](#): 2 patterns of 定めは？ (sadame wa? / What is the fate?).
 - [Omamori](#): 2 patterns of 守り給え (mamori tamae / Be my protector).
- Similar to [Styanax](#) and [Qorvex](#)'s unique walking sounds, Koumei's footsteps play high heels sounds.
