what is elite deep archmedia? got back into the game 3 days ago and still don't know what this is

⊖ ↑ 56 ↓ ...

**ItsMeRyanHowAreU** • 6mo ago •

It's the new endgame mode. You'll need to catch up on the quests in order to access it, specifically Whispers in the Walls.

It's a set of 3 missions like Sortie, but to get rewards you have to equip gear from a randomized list as well as activate debilitating gameplay modifiers. The missions are done back to back, no returning to a hub or orbiter in between.

Davesecurity • 6mo ago •

Going to be honest the thing that worried me the most is that you are running Oxylus.
