×

g. [Corrupted Crewman](#), [Narmer](#)

- Despite being listed as a multiplier, it will stack **additively** with other sources of Damage to Corpus.
- For example, if you had a [Riven Mod](#) with x0.5 Damage to Corpus and a max rank Bane of Corpus with x1.3 Damage to Corpus, you would have a **1 - 0.5 + 0.3 = x0.8** multiplier for damage against Corpus with both mods equipped.

Patch History

Update 34.0 (2023-10-18)

- Changed the Faction Damage Mod (includes Bane, Cleanse, Expel, Smite, Railjack, and Riven Faction Stats) descriptions to use multiplier instead of percentage based stat formatting. Damage values have not changed! Just the way they are communicated.
 - For example: Smite Corpus (at max rank)
 - Was: “+30% Damage to Corpus.”
 - Now: “x1.3 Damage to Corpus.”
