Moon Jelly (Config A)

Hello there,

I was thinking... how to create a build **finite**, absolutely, undeniably, indisputably, uncompromising, a build that will **work in every situation**, a build that does not take shortcuts, a build that has **no limits**.

I present to you... [\[Ivara\]](#) **Absoluto!** My proud **jewel!** My **S Tier** Warframe, capable to do literally **every mission, every level, with ease!** And there's nothing to explain, it's simply **incarnation of perfection!**

High-Damage, Single-Shot Primary: [The Worlds Destroyer](#)
[Hushed](#)

[\[Artemis Bow\]](#): [Literally a Mind Blowing Bow](#) [Silent by Nature](#)

Alternate Fire Secondary: [Buckshot in Butt](#) [Hushed](#)

The Crushing Ruin Combo/Finisher: [STOP! Hammer Time!](#)

PLEASE, READ THE DESCRIPTION

Sentinel: [Broken but works](#)

Sentinel Weapon: [Vigilante](#) [VULKLOK](#)

Also check my shared builds:

[Bloody Bride \(Config B\)](#)

[Jellyfish Sting \(Config C\)](#)

Enjoy,
THeMooN85
