## Venato - The Crit Cleaver

This is a easy Red Crit build for the [Venato].

[Sacrificial Steel] and Pressure get us to over 100% Crit Chance without any combo counter. With [Organ Shatter], it makes it so we will always be dealing 4x damage with our attacks no matter what.

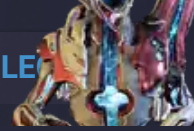

[Blood Rush] takes our Crit Chance to 294.4%, So pair this weapon with Gladiator mods or an [Adarza Kavats] for guaranteed Red Crits.

From here, [Condition Overload] makes us do insane amounts of damage with our Viral Procs.

Finally [Berserker Fury] finishes things out for our attack speed. Although you could use [Gladiator Vice] instead for the Gladiator set bonus.

This weapon does super well in [Caliban]'s hands at building [Blood Rush] up to 11. This is an excellent weapon if all you want to do is swing and not think too hard.

Enjoy!
