This short blade weapon was
built using ceramic. It has limited
range but comes out fast.

CERAMIC DAGGER BUILDS

BUILDS BY EYEDR3SS

- Khora Whipclaw - Red Crit Slash Focused Stat Stick

This is the ideal slash based [Khora] stat stick

[Buzz Kill] is used to make slash the heaviest weighted IPS (Impact, Puncture and Slash) meaning that it has a higher chance to proc compared to the other two.

Weeping Wounds is so that each Whipclaw cast procs 1-2 status procs allowing for more slash procs

There is no [Spoiled Strike] on this build for various reasons but mainly because it is crammed to fit the slash focused mods

General use stat stick that works for [Atlas], [Khora] and [Gara] Ceramic Dagger
