WISP PRIME BUILDS

BUILDS BY CYN

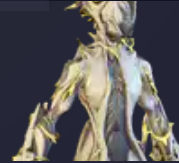

Stealth Bomber (Aim-glide build)

Presenting an unconventional build taking full advantage of Wisp's passive ability

- (1) near key areas, duration is roughly 30s on the buffs
- (2) brief invisibility when on the ground

Magic of the build is aim-gliding, with the setup youll actually float upwards with -75% total gravity (can reduce floating by using an [Aero Vantage](#) that is unranked. You get easily 10+ seconds of floating invisibility, you can optionally trade some of the sprint speed for parkour velocity to increase your flight speed

Combine with explosives to become a Boeing F-22 Raptor. Enjoy!

Hysterical
