ATTERAX BUILDS

BUILDS BY SAMPLETEXT

## Old Spin-to-Win

This build uses the old spin-to-win style of play Atterax is known for but uses Melee Influence and electric procs to recover some of the lost damage

- [Voltaic Strike] can be min rank to have higher slash weight and more consistent slash procs but electric procs do so much damage that it's optional either way
- If you do not want to use a bane mod, you can either use Carnis Mandible, Gladiator Might, or Spring-Loaded Blade
- Primed Fury can be used instead of Berserker Fury for more consistency

Condition Overload is exchangeable with Primed Pressure Point or even Sacrificial Pressure

- You will usually only have 2 or maximum 3 statuses anyways
