CODEX

Continue the legend of the glass-armored warrior Gara. Dominate the battlefield with the power and purity of crystal.

Of all our sleek gargoyles, our Void-born masquerade, how to honor the one who volunteered willingly, knowing the truth? Whose little act of courage - twinkled like a petty Ayatan, before our golden indifference?

*And **Nihil** cried: "Glass her, for her presumption!" Until the arches rang with laughter. So be it. I shall encase you in crystal most fine. That the purity of your stigmatization might shard the sunlight itself.*

The unbroken. Gara.
