Dormizone

18 EDIT

The **Dormizones** are personal living spaces in the [Zariman Ten Zero](#) ship. It can be accessed after completion of [The Duviri Paradox](#) or [Angels of the Zariman](#), the latter from the [Star Chart](#) or from an elevator near [Hombask](#) within the [Chrysalith](#).

Each player will have their own Dormizone space, containing a living room and a large space with two beds. It can be decorated similar to the Operator's [Orbiter](#) and the [Drifter's Camp](#), with a wide variety of items including a new broad collection available from Hombask.

Rooms

Entrance

Connecting to the elevator that leads to the [Chrysalith](#) is a small hallway with some knocked over tables and growing foliage. The equipped [Companion](#) may be found resting in one of the sides.

A [VERD-IE](#) can be seen maintaining a small garden containing holograms of [Duviri](#) plants, which are cultivated in the paradox side of [Teshin's Cave](#).

If the player has completed The Duviri Paradox but not Angels of the Zariman, this area is inaccessible and the entrance door between the kitchen and hallway will be locked.

Kitchen

The first room of the Dormizone is a small kitchen.

Included Decorations

Upon getting access to the Dormizone, there will already be decorations placed in the Kitchen that will use up decoration capacity. These can be removed and returned to the inventory. Most of these decorations can be bought from [Hombask](#) with [Standing](#), but some can only be bought from the [Market](#) with  [Platinum](#).

ed upon acquiring the Vista
nd 100,000 standing with [The](#)

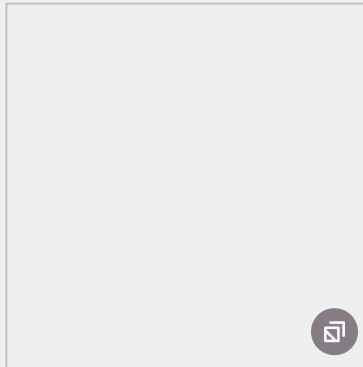

Vista Suite

This wide room contains four Warframe Displays to showcase [Arsenal](#) Loadouts and multiple shelves. The main feature is a large backdrop called **Vistagraph** to display landscape scenery, accompanied by **Audioscapes** to play ambient music. They can be purchased from the display terminal on the far right; Vistagraphs cost **75** while Audioscapes cost **50**.

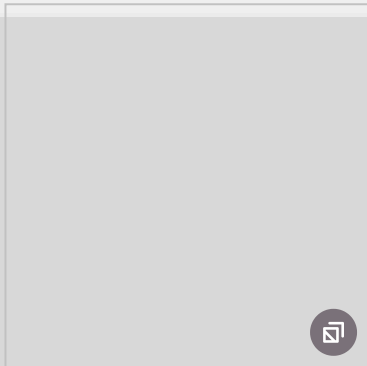

Vistagraph

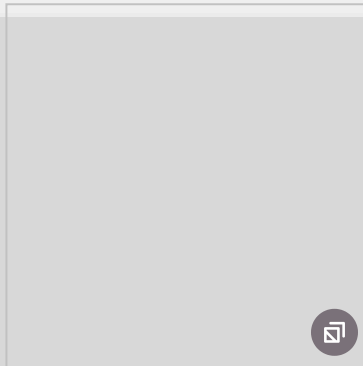

Impossibility Dawn - "A rosy nebulous light illuminates the an impossible landscape in this stunning work by enigmatic Vistagraph master, [Raff Seglass](#)."

Only Beyond - "Raff Seglass' enchanting Vistagraph offers respite from the wandering mind."

Silent Blue - "The blue [Earth](#) looms over [Lua](#). A serene Vistagraph by Raff Seglass."

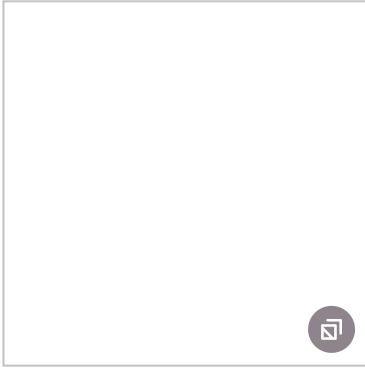

The Path Imponderable - "An enigmatic visgraph by the master herself, Raff Seglass."

Duviri

Available after completion of [The Duviri Paradox](#), this small room contains a Void passage leading to [Teshin's Cave](#) within the planes of [Duviri](#). Here, the player can access their [Arsenal](#), customize their [Drifter](#), level up [Drifter Intrinsic](#)s, review [Duviri Lore](#), or speak to archivist [Acrit](#)his and trade for items with Duviri's resources.

Trivia

- This room first appeared in [The New War](#) Quest, where the [Operator](#) encountered the [Drifter](#).
- In the Dormizone's bedroom, entering as the Drifter causes [Teshin](#)'s swords to appear leaned against a locked door, emanating grey energy. The player can also hear music, whistling, roaring, and a heartbeat upon nearing the door. The swords have since been removed (although the grey energy and music remain) in more

their Dormizone by interacting

said action by saying *"Dormizone secured."* 

([download](#), [history](#)). The panel also sometimes makes additional snarky remarks, such as:

- *"Dormizone secured. Do you have something to hide?"*  ([download](#), [history](#))
- *"Dormizone secured. Do you actually think someone would steal this?"*  ([download](#), [history](#))
- *"Dormizone secured. Would you like to build a barricade too?"*  ([download](#), [history](#))
- *"Dormizone secured. Nothing can come through these walls. Ha. Ha."*  ([download](#), [history](#))

Teshin's swords in the Dormizone, in Void-colored unlight.

Patch History

Hotfix 36.0.5 (2024-07-20)

- Fixed the "Decorate Dormizone" option being available in the Quick Access wheel without owning the Vista Suite Key.
 - This is because the Quick Access option will take you to the door to enter the Vista Suite, but without the key you are unable to access it.

Update 36.0 (2024-06-18)

- Added Fast Travel to the Gear Wheel in the following areas:
