Romance

Main article: [Kinemantik Instant Messaging](#)

Each member of The Hex can be **romanced** by the [Drifter](#), becoming increasingly friendly and intimate. Players can earn **Chemistry** points by undergoing [Bounties](#) for individual members, as well as engaging in conversation using the **KIM (Kinemantik Instant Messaging)** app on the [Orbiter](#)'s or [Backroom](#)'s Pom-2.

Accumulating enough chemistry allows the Drifter to date one of the members of The Hex. However, the Drifter can only date one member of The Hex at a time, and will be forced to break up with the current member of The Hex they are dating before pursuing a new one.

While romancing is entirely optional, all members must at least be "Liked" with the player in order to complete [The Hex Finale](#) and reach **Rank 4 - Hot & Fresh**.

Notes

- Each rank-up triggers a group text chat via [KIM](#).
 - The rank-up to **Rank 1 - Leftovers** has a [Domestik Drone](#) added to the [Höllvania Central Mall](#).
