Sequence, or the rank of **Flawless** under New Loka, and spending 🎗 **25,000** to purchase.

- This mod can periodically be acquired from The Circuit.

Notes

- Synergizes with Trinity's Blessing, allowing up to 75% damage reduction to be applied to the generated shields and overshields.
- The base 150% shield replenishment is **not** affected by any mods, however it is indirectly affected by Ability Strength as more overflowing energy per cast means more shields and overshields.
