Fan
Central

CURRENT

- **Primed Pistol Gambit** is additive with similar mods. For example, a  [Sicarus](#) with a max rank **Primed Pistol Gambit** and  [Hydraulic Crosshairs](#) will have a $16\% \times (1 + 187\% + 135\%) = 67.52\%$ critical chance.
- Cannot be equipped with  [Creeping Bullseye](#).
- Unlike most Primed mods, Primed Pistol Gambit offers less **critical chance** per rank than its normal version, giving only 17% per rank compared to Pistol Gambit's 20%. However, Primed Pistol Gambit has a higher maximum rank along with a lower overall mod cost for similar benefits.
 - At the cost of needing more [Endo](#) in order to upgrade this mod, Primed Pistol Gambit boasts a better **critical chance** to drain ratio.
 - For example, at base rank, Pistol Gambit supplies 20% **critical chance** for 4 drain while Primed Pistol Gambit at rank 2 grants 51% **critical chance** at the same 4 drain.
 - Had Primed Pistol Gambit followed Pistol Gambit's format, it would have had 220% **critical chance** at the cost of 14 drain.

Tips

- Can be combined with [Hydraulic Crosshairs](#) for a total increase of **+322%** after getting a shot to an enemy's head. This allows the [Akmagnus](#), [Lex Prime](#), [Spira](#), and [Twin Grakatas](#) to gain a **critical chance** of **105.5%**, guaranteeing crits.

Patch History

[Hotfix 16.10.1](#) (2015-06-26)

- Fixed incorrect stats showing on the Primed Pistol Gambit Mod in the Arsenal - it now has the proper base of 17% chance increase, leading to a possible 187% when fully ranked.

[Update 16.10](#) (2015-06-25)

Fandom is on a quest for your opinions on upcoming movies!

- [Pistol Gambit](#), the normal version.
- [Primed Pressure Point](#), another Primed mod with reduced effect per rank.
