LOLYMCLOL

Is there anyway to reset your stats in Elden Ring early in the game instead of having to cross the map and fighting two bosses way out of your level?

There would be no point in resetting the stats early in the game. Levels ups are very cheap and you don't have many points to reallocate. And you can just start over like the other guy said.

You can go straight to Rennala if you want.

Only boss in your way is the red wolf of radagon.

As a Millicent enjoyer, I will explain why Rotten Winged Sword Insignia is actually a better talisman than Millicent's Prosthesis, so you don't have to kill her anymore!

Did your opinion on the DLC change since launch? Would you rate it different now than in the first month(s)?
