Welcome to the PCMR, everyone from the frontpage! Please remember:

1 - You too can be part of the PCMR. It's not about the hardware in your rig, but the software in your heart! Age, nationality, race, gender, sexuality, religion, politics, income, and PC specs don't matter! If you love or want to learn about PCs, you're welcome!

2 - If you think owning a PC is too expensive, know that it is much cheaper than you may think. Check <http://www.pcmasterrace.org> for our builds and feel free to ask for tips and help here!

3 - Join us in supporting the folding@home effort to fight Cancer, Alzheimer's, and more by getting as many PCs involved worldwide: <https://pcmasterrace.org/folding>

We have a [Daily Simple Questions Megathread](#) for any PC-related doubts. Feel free to ask there or create new posts in our subreddit!
