How to make custom ActionResources? (Toolkit)

Where is the default boosts/ActionResources stored? I can't find it in the uuid object editor. Is it somewhere else?

Check the boost table or effect table under equipment I believe. Need to go to the Gustave bundle first or use the search function in the item/effects editor.

The name is kinda like actionresources(action point, 1) for action etcetc. If you just search haste, it gives you the action resources for action points. Bonus action, Spell slot etc also fall under action resources.

Not at home so cannot find the exact names of these things. I'll probably come back to update this reply once I get home and figure out the exact name.

UUID Object Editor -> Shared -> ActionResourceDefinitions for the default action resources.

Your custom ones should go here: UUID Object Editor -> your mod in the left hand side -> ActionResourceDefinitions

Short guide: <https://mod.io/g/baldursgate3/r/implementing-custom-action-resources-with-impui>
