Does Micro Center have a return policy for GPUs ?

So i assembled my PC on april 23rd and i bought all my parts that same day. I bought an Asus GTX 970 and i didn't know that the new pascal cards were coming out. Is there a way i can return it if i didn't like it or something.

So if you buy the 1070 with the plan, you'll go to micro center and swap your 1070 with the 1170. Cheers.

I recommend the 2 year warranty from them. It's basically the best thing ever.
