Error starting port forwarding

`Help!`

I have been using Proton VPN with port forwarding for quite some time. During the past day it has been failing. I am using This Docker image qmcgaw/gluetun. Is anyone else experiencing this issue?

```
2024-08-24T00:41:03Z ERROR [vpn] starting port forwarding service: port forwarding for the
```

My server goes unresponsive every few days and this is always the log. I end up having to force shut down and restart everything. Any ideas as to what it means? I can't really make…
