How Trial of Sekhema work in party?

Question

So as someone who offers carry im bit confused how it works in party.

Do other players use theirs relics or my own apply to everyone because i opened it?

Can you get points 5-6 from floor 4? or each set of points is specific to floor? (considering i use lvl 80 barya)

I saw someone claim that you can get points 3-8 just from killing floor 4 boss, sounds like a bs to me, anybody knows? i asume its bait from scammers with cheap carry to lure people in.

You can pay 40 ex and join someone's final trial and just sit there as they kill the boss. As you are in the party, you also share the credit of killing the boss which gives you all 8 accend points. This will likely be fixed so that only the trial host gets the points or you be beyond a threshold of damage to also be credited.

Wait a second last boss will give you all 8 points? That seems like a bug.

PSA to any newer players: Don't leave the Trial of Sekhemas reward room before you're completely sure you're done in there.
