## Dying in Trial of the Sekhemas final boss

[Discussion](#)

As a witch focused on minions, I lost my honor in the final fight in the boss room, but my minions were fighting till the end. I lost my honor when boss had 50% HP, and I got the pop up "in room 8 of the test of strength", but my skeletons were still fighting and I couldnt even ressurect myself. They were fighting with the boss for another 10 minutes, reviving all the time. I guess the game doesnt understand I died because I am at full hp, but 0 honor, so my skeletons are reviving all the time. Seems like a bug for sure. PS. This whole trial is so bad, I really want to quit this game just because of this.

Probably not a bug because of the minions cause I'm playing monk and I also got stuck on the pop up. Had to close the game to get out.
