Information

Is there any other source of spirit gems other than the one from Act 1? I didnt know SRS was a buff skill in this game and i already used my spirit gem from act1.

It can be a random drop, otherwise only 1 as a quest reward for act 1

open map and hover over the "i" on top left

find icon that says "boss encounter with upgrade" its a skull with a +

look for that icon on map in each act go kill that boss for a green skull that gives u +30 spirit

if it says "+30 to spirit" underneath then u alrdy have it

ur welcome

lost city has guaranteed one as drop (shows up on map as an icon) i think, but was only tier 7 (need tier 8 for next level)
