How do I get more ascendancy points?

You will get your 3rd and 4th points to put in the witch hunter tree after you complete the Trial of Chaos in Act 3. There are only 8 total points for ascendancy in the entire game.

The 5th/6th & 7th/8th points come after you reach the end game level 65+

You have to run either of

1. Trial of the Sekhemas
2. Temple of Chaos

For ascendancy points.

You will run them 4 times getting 2 ascendancy points each time for a total of max 8 ascendancy points.

Check the Ascendancy tool tip on the passives screen for more details about the requirements for each one.

When is the trial of sekhimas able to give another 2 points? All my disc things say "completing this trial will not grant any ascendancy points"

If you pay someone to run the 4th and final of these awful trials for you, will it grant all points or just 2?

Does anyone know how people are carrying people to 8 points of ascendancy? I'd like to help people.
