What did you guys end up doing with the Tuna?

Was it all eaten that evening or was there some leftover?

I saw him back when I was school 10 years ago. I am better then most of the people I have encountered with my knife, but nothing compared to that man.

That's *awesome*! Lucky you! 👍

No way! That man was a massive influence to me! Him, Emeril and my dad are the reasons I got into this industry!
